Limited Operations Due to Airspace Closure Until 07 March 2026

Emirates continues to operate a **limited flight schedule between 06th March and 07th March 2026** due to the ongoing airspace situation.

Important Passenger Acceptance Updates

- Operating destinations are published on the Emirates website.
- Scheduled flights **to/from MRU** will continue to operate as **EK704/EK703** until further notice.
- Customers may travel to the **UAE** provided they meet standard UAE entry requirements.
- Transit passengers will only be accepted if their final destination is part of the current **operating flight network**.
- **Online Check-in** has been reinstated.
- The latest operational updates will continue to be published on the **Emirates website**.
- Customers are to ensure that they have a **confirmed booking** before travelling to the airport.

Further update will follow.

Regards,

Emirates Airport Services Mauritius
